February is a busy month, with fewer days and just as much to do. Even so, we hope you find time to catch some of our terrific lineup, starting with five HBO exclusives: the powerful *Sophie's Choice*, Sugar Ray Leonard's dramatic comeback, David Bowie's *Serious Moonlight* concert, a Billy Crystal special and the thriller *To Catch A King*. Then there's the new *HBO Comedy Playhouse*, plus *Stroker Ace*, *The Man With Two Brains* and *Lovesick*. As we said, it's a busy month.
